**Need a financial partner  
in Greenland?**

The BANK of Greenland is the largest financial institution in Greenland. We are the only full service bank in Greenland. We know our country to its core. We have local expertise, having our ears on the ground for innovation and new developments in the business world. This includes up-front knowledge on the industries of mining, oil exploration, and raw materials.

We were established by a group of major Danish banks in 1967. The BANK of Greenland has ever since been the leading choice of the business sector in Greenland. Hence, we are able to provide competent advice on all your banking needs in Greenland. No matter where you are from or what trade you are in.

#### **Strong financial performances**

We are traded at NASDAQ OMX Copenhagen. We are part of the Danish banking system, and one of the best run and most stable financial institutions in Denmark. Throughout the financial crisis, we managed to grow our bottom-line.

We are headquartered in the capital, Nuuk. The BANK of Greenland employs 100+ dedicated people. We are a multi-lingual bank, offering all services in Greenlandic, Danish and English. We are used by public institutions in Greenland as well as most major corporations. At the same time, we are the local bank in Greenland, used by small firms, fishermen, hunters and farmers. We are present in six major cities: Ilulissat, Aasiaat, Sisimiut, Maniitsoq, Nuuk, and Qaqortoq.

#### **Strong cultural values**

The BANK of Greenland has a long tradition of supporting local societies. In 2010, we took these efforts deeper when embracing our CSR-strategies. Furthermore, we co-founded the national network CSR Greenland where we hold the chair as vice-president.

#### **At your service**

We run our own business department and international department, stationed in the capital, Nuuk. We can help your company with most requirements, for example:

- Financing production
- Financing buildings and working plants
- Yield optimization of surplus available funds
- Cash management
- Guarantees
- Web based home banking solutions offered in English

**So, if you need a local financial partner, we look forward to welcoming you!**
